Spillray 20 Suspension Light by Axolight

Designed by Manuel Vivian, the Spillray 20 suspension is a spectacular and magnificent light that is made up of 20 different lights. Each light has a gorgeous glass lampshade, held by a chic chrome structure which gives it a modern look. The shades all have varying rectangular shapes which creates a wonderful, decadent effect.

The Spillray 20 suspension light acts as a contemporary chandelier, providing an effective glow with each light source being exposed through the glass shade. The suspension will look best in larger spaces and will function well as the main light for the room. Create a stunning effect in your space, whether at home or in a commercial setting.
