PRODUCT DESCRIPTION

Designer: Note Design Studio

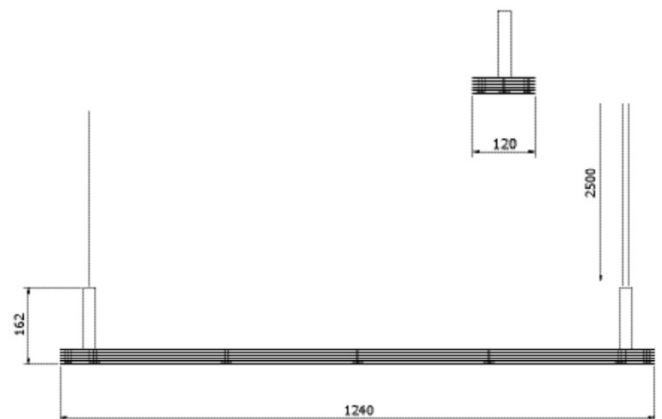

Zero Sprinkle Linear Suspension

The Zero Sprinkle Linear Suspension is an evolution of the [Sprinkle Pendant](#), featuring the same striking geometric silhouette whilst offering unexpected and distinct design elements that add sophistication to any space. Another vibrant design by Note Design Studio, the Sprinkle Linear gets its name from the colours of sprinkles used in baking, and utilises a slatted shade within the metal structure, which distributes the illumination and results in an evenly dispersed glow. This Sprinkle Linear is also available in a bold range of colours, blue, red, brown, black or oyster white - allowing them to adapt to a range of contemporary interiors.

This unique suspension lamp features an elongated horizontal bulb fixed inside of the shade, which is suspended from the ceiling at both ends by thin wires. The Zero Sprinkle Linear is an ideal lighting solution for above workspaces, countertops, reception desks and shop counters. This luminaire is a popular choice for residential kitchens and dining spaces, adding a touch of vibrancy to your home.

Please Note: The Zero Sprinkle Linear Suspension is available with Dali dimming upon request. Please [contact us](#) for more information and pricing.
