PRODUCT DESCRIPTION

Designer: Miguel Milá

Singular Wall Light by Santa & Cole

The Singular wall lamp was designed by Miguel Milá in 2000 for the Santa & Cole designer brand. A simple yet effective fixture, the wall light is made from a white linen shade which conceals a metal structure and the light bulb, creating a beautiful veil of light. The light source escapes from the bottom and the top of the wall lamp and also spreads out evenly to provide a warm and ambient glow.

The Singular wall light is perfect for virtually any setting and can be used alone or in multiple depending on your lighting needs. The white finish also means that it can slip into any design scheme and will be unintrusive.
