PRODUCT DESCRIPTION

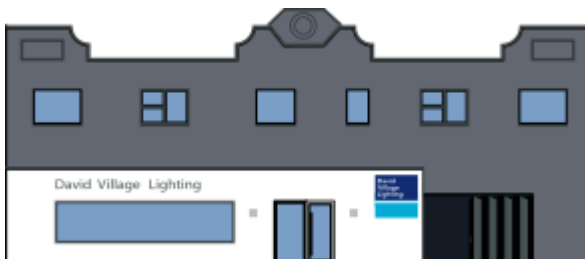

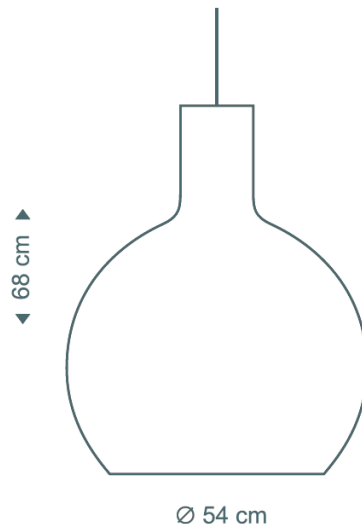

Secto Octo 4240 Pendant Light

The Secto Octo 4240 pendant light is grand and airy, meaning it doesn't overpower even smaller spaces due to its lightness. Providing a warm, soft light, the Octo 4240 is still manufactured by hand by expert craftsman in Finland out of Finish birch, reducing the company's carbon footprint and excess birch is also recycled as firewood, minimising waste. The Octo pendant light is also available in a smaller size; the [Octo Small 4241](#).

With a clear and simple Scandinavian feel, the Secto Octo 4240 is available in its natural birch state, laminated in black or white or with a walnut veneer. The 4200 collection also includes wall lights, floor lights and table lamps - browse the rest of Secto's designs [here](#).
