PRODUCT DESCRIPTION

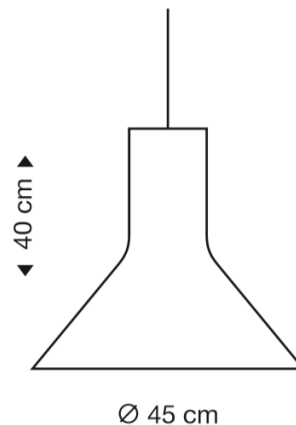

Secto Puncto 4205 Pendant Light

Thanks to the wide opening of the diffuser, the Secto Puncto 4205 pendant light casts a broad, warm and atmospheric glow. Light and airy due to its slatted design, the Puncto 4205 pendant light is handmade in Finland from Finnish birch. Designed especially for spaces with a lower ceiling height, the Puncto 4205 is particularly suited for over a dining or coffee table; however this pendant suits living areas, bedrooms and conservatories alike.

Available in laminated black or white, natural birch or with a walnut veneer, the Secto Puncto 4205 pendant light can be used singularly or in multiples with a variety of pendants in the Secto range. The 4200 collection also includes wall lights, floor lights and table lamps - browse the rest of Secto's designs [here](#).
