PRODUCT DESCRIPTION

Designer: Michael Anastassiades

IC Pendant Light by Flos

The Flos IC suspension light comes in two sizes, the smaller S1 and the larger S2. The collection explores balance and shapes as each light has a blown glass sphere which sits 'balanced' upon a metal rod. Simple yet effective, the Flos IC lights provide a soft, diffused glow due to its opal glossy glass sphere and are dimmable via mains phase dimming.

The iconic and revered [IC collection](#) was designed by Michael Anastassiades in 2014 for Flos and consists of floor lamps, wall lights, table lamps and suspension lights all available in either brass, black or chrome.

PRODUCT SPECIFICATION
