PRODUCT DESCRIPTION

Designer: George Carwardine

Original 1227 Wall Light by Anglepoise

Getting its design from George Carwardine's classic [Original 1227 table lamp](#), the 1227 wall light is a truly modernistic adaption of an iconic design. With chrome fittings and a rotational shade this light showcases function and style and works perfectly in both home and work settings. The light has a built in switch in the base for ease, but also has the option to be hard wired to an external light switch, giving you the power to choose how you wish the light to function.

Available in three classic colours to provide a timeless touch to the room, the Original 1227 wall lamp is completely versatile and can both create a stunning spotlight or a subtle lighting atmosphere. To make a real impact, match with other lights from the [Anglepoise Original 1227 collection](#), to create a room inspired by Carwardine's innovative design.
