PRODUCT DESCRIPTION

Designer: Sergio Prandina

Vestale T3 Table Lamp by Prandina

Prandina's Vestale table lamp is a variation on a theme, inverting the form of their similarly-named pendant light whilst retaining the design philosophy which made it so successful.

Deceptively constructed, the Vestale T3 table light appears to consist of two pieces of glass glued together but is in fact a single blown-glass diffuser, the product of Prandina's unparalleled control of the medium, what they refer to as 'knowing how to think with glass'. A perfect mood light, the Vestale T3 creates a warm, relaxing ambience which is ideal for illuminating small areas such as desks, side-tables, and stairways.

The Vestale T3 table lamp is available in two colours, Glossy White/Transparent and Glossy Smoked Grey/Transparent.
