Gravity Wall Light by Gubi

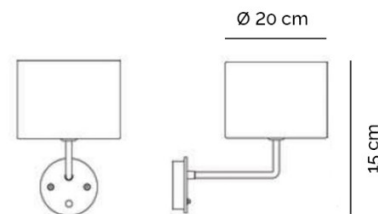

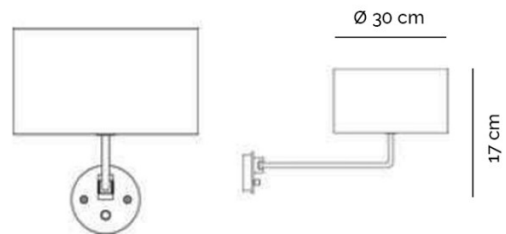

Simple and functional, with an understated elegance, the Gravity wall light emits an ambient light. The light, available with a shade in either cotton white or canvas fabric, offers a subtle light and is perfect for the bedside, corridors and any settings in hospitality. The arm is flexible and adjustable, while an integrated dimmer at the base allows you to adjust the light intensity.

Gravity wall light is the latest addition to the Gravity family, which includes table and floor lamps. As its predecessors, Gravity wall lamp offers a pleasant illumination and optimal functionality. The base and wall fitting is available in a solid, antique brass; adding to the lamps elegance. The wall lamp, designed by Space Copenhagen, is also available in two sizes (small or large).
