PRODUCT DESCRIPTION

Designer: Manuel Vivian

Skin Ceiling Light by Axolight

Designed by Manuel Vivian for Italian lighting company, Axolight, the Skin lights has become a classic. The ceiling lights are available in three sizes, with a diameter of 70cm, 100cm and 160cm. Skin lights are 'dressed' with a unique material, **flame-retardant eco-leather** available in 4 colours: white, brown, matt black and ivory white. The diffuser can be white or warm white and is made of extra smooth flame retardant pongé fabric. With an IP20 rating, Skin ceiling lights are perfect for interior spaces, whether offices, corridors, waiting rooms or around your home.

The Skin collection also includes a [suspension light](#), made of the same material and available in the same colour options.
