PRODUCT DESCRIPTION

HeadHat Plate LED Pendant Light by Santa & Cole

The HeadHat Plate pendant is one of Santa & Cole's lights that uses the innovative HeadLED technology, where different shades can be used using the LED light source. The Plate pendant light is characterised by a hemispherical metal shade, exhibiting smooth lines and a large shape for effective lighting.

The HeadHat Plate pendant lamp comes in three sizes, small, medium or large, and is available with either a surface or built-in ceiling canopy. The four colour finishes available range from colourful to subtle, so you can find the right look to match your design scheme. Use as a main light or as a light over tables for an efficient illumination and stylish lighting solution.

Other lights that use HeadLED technology include the [HeadHat Bowl pendant](#), the [M64 pendant](#) and the [Cirio Simple pendant](#).

Please Note: The Santa & Cole HeadHat Pendant comes with a 3m cable as standard. Although this can be upgraded to 8m. Please [contact us](#) for more information and pricing.
