PRODUCT DESCRIPTION

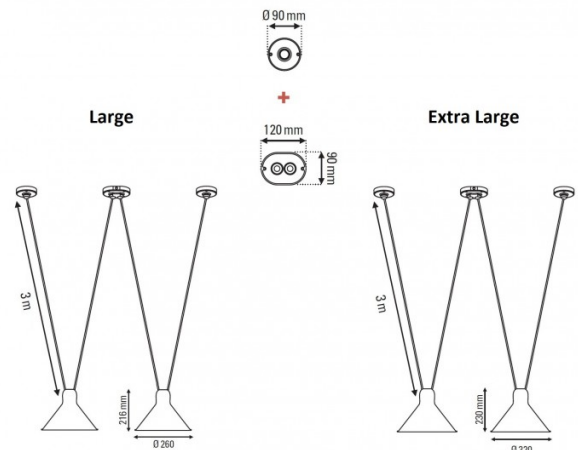

Les Acrobates De Gras No. 324 Conic Pendant Light by DCW éditions

Designed by the team at DCW éditions, the Les Acrobates De Gras No. 324 Conic pendant lamp takes two lampshades suspended by cables to create a dynamic and stunning aesthetic. The lampshades are derived from the [Lampe Gras](#), a design icon created in the 1920s by Bernard-Albin Gras. The cables are adjustable and can be placed where you want so you can create your own unique look and get the best function out of the pendant.

The shades produce a downward directed light that spreads outwards, making it perfect for hanging over tables and surfaces in homes, work settings or commercial spaces. The Les Acrobates De Gras No. 324 Conic pendant light is available to buy online in 2 sizes, large or extra large and in a black colour finish. **You can, however, choose from multiple colours and mix and match shades from others in the [Les Acrobates de Gras collection](#) to create variety and fun in your interior.** Please [contact us](#) for more information.
