PRODUCT DESCRIPTION

Designer: Bernard-Albin Gras

Lampe Gras No. 304 Wall Light by DCW éditions

Designed by Bernard-Albin Gras in 1921, the Lampe Gras 304 wall lamp is a simple and functional fixture, suitable for many settings. The design originates from Gras's pursuit of creating a light that is fully adjustable and could be used in industrial and office spaces. What has resulted is an entire [Lampe Gras collection](#), a range full of lights that are both stylish and practical.

The Lampe Gras 304 wall light has a short arm, perfect for smaller spaces, which can be moved up and down by 86°. The lampshade can also move, rotating around 210° so you can direct the light stream where you need. The shade is available in 11 colour finishes, paired with a black body for a vibrant and chic statement. Useful as a reading/task light or for ambience, the 304 will add a vintage and timeless look to your interior.

Please Note: This Wall Light can also be supplied with a conical shade. Please [contact us](#) for more info and pricing.
