Lampe Gras No. 204 Wall Light by DCW éditions

The Lampe Gras No. 204 wall lamp is part of the [DCW éditions Lampe Gras collection](#), an ever popular range that was created 100 years ago by Bernard-Albin Gras. This wall light is one of the smaller fixtures from the collection, being particularly perfect to use as a bedside lamp due to its size.

The Lampe Gras No. 204 has a pivot joint so you can direct the light where you need, being able to handle it more intensively and accurately. The wall lamp comes with the choice of 7 shade colours, so you can find the right look for your space, which is paired with a simple black metal structure. A vintage and stylish light, the No. 204 is suitable for many settings.
