### PRODUCT DESCRIPTION

#### Mini Onn Pendant Light by Arturo Alvarez

**We currently have limited stock of one of these items in our Clearance section .**

The Onn Mini pendant is made from stainless steel which is perforated, creating a unique and subtle holed pattern. The shade also has folds which creates a wonderful aesthetic that evokes images of sea life, reminiscent of shells and coral. The lampshade also diffuses the light source, producing an evenly spread glow that also directs downward.
