PRODUCT DESCRIPTION

2G Dimmer Switch by Buster + Punch

Suitable for dimming two light sources or points, the 2G dimmer switch is perfect for exquisite decoration and function. The dimmer switch is wonderful to use alongside Buster + Punch lights, keeping the same aesthetic that is present across the whole brand. The wall plate is made from metal and is paired with either a brass, steel or colour-matched dimmer knob and coin screws. The knob has a diamond-cut, cross-knurl pattern and the various colour choices mean you can find the right match for your design scheme.
