PRODUCT DESCRIPTION

Riddle Single Wall Light by Bert Frank

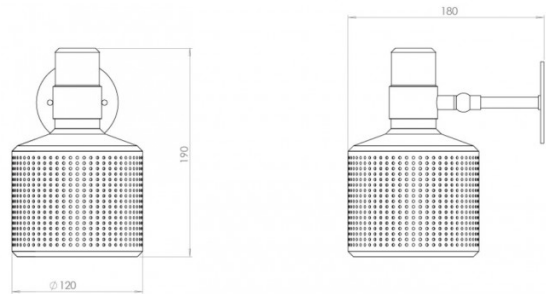

The Riddle Single wall lamp is a contemporary and stylish light, made from beautiful machined-brass with black embellishment. The lampshade has tiny holes and a fabric insert which allows the light to diffuse outwards in a glare-free way for a wonderful ambience. The light also escapes out of the bottom for a directional glow which can be manipulated by moving the flexible shade.

The wall light can be used in many settings, whether you need a bedside reading light or atmospheric hallway lighting. The top-quality use of materials and the modern aesthetic make the Riddle Single wall light a wonderful addition to homes and work spaces. Use alongside other lights from the [Bert Frank Riddle collection](#) for a complete look.
