PRODUCT DESCRIPTION

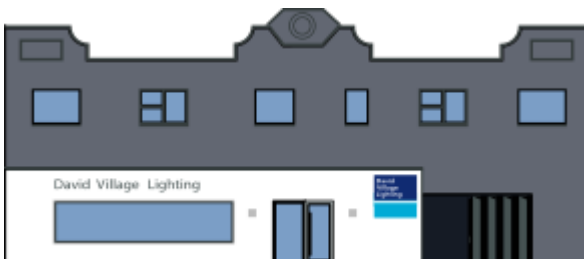

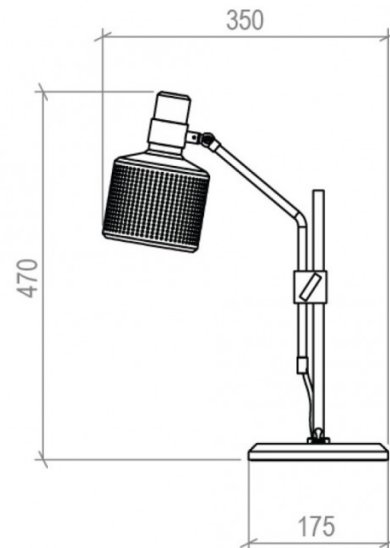

Riddle Single Table Lamp by Bert Frank

The Riddle Single table light is an elegant solution for a task/reading lamp, being particularly useful on desks. The lampshade is perforated and lined with fabric which means the light escapes outwards in a diffused manner as well as out of the bottom. The arm can rotate around 270° so you can cast a glow wherever you please and the table lamp is made from brushed brass for a refined and modern look.

The Riddle table lamp can be used in a wide variety of settings wherever you need a handy light. The table light features black details for a gorgeous colour combination and has a toggle switch on the base for quick ease of use.
