PRODUCT DESCRIPTION

Designer: Patrick Norguet

JIM Bell Pendant Light by Lodes

Inspired by early 20th century lampshades that were used in artistic working studios, the JIM Bell pendant was designed by Patrick Norguet exclusively for Lodes. The pendant has gorgeous smooth lines, taking on the silhouette of a bell for a satisfying and sleek look. The shade is made from metal which contrasts with a methacrylate hook that is available in 3 colour finishes, grey, or honey.

The JIM Bell pendant lamp is available in 4 diffuser colours, matte black, matte white, coppery bronze or matte champagne which all provide their own unique aesthetic. The size of the pendant light makes it perfect to use in multiple, in rows or clusters or singularly in a smaller space. The pendant lamp emits a downward directed glow that spreads out, making it wonderful for hanging over tables and surfaces.

The JIM Bell pendant light comes with a white standard ceiling canopy provided by Lodes. A mini and recessed canopy in various colours are also available as well as a multiple ceiling canopy for creating big configurations. Please [contact us](#) for more information and prices.

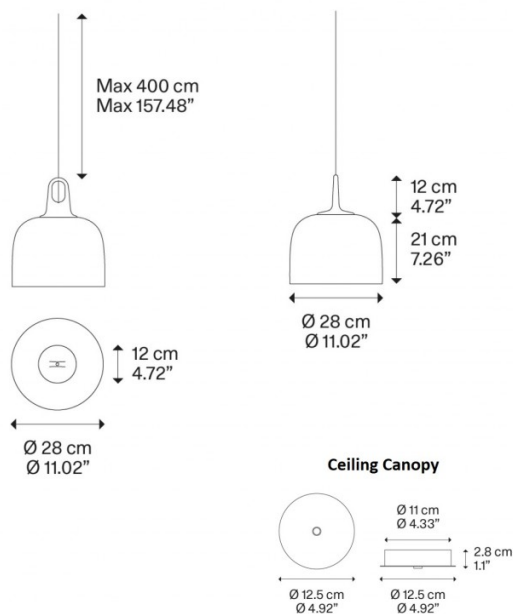

PRODUCT SPECIFICATION

Light Source: 1 x max 25W E27 A60 GLS LED (excluded)
