PRODUCT DESCRIPTION

Designer: Norm Architects

Audo Copenhagen Carrie Portable LED Outdoor Table Lamp

The outdoor version of the [Carrie table lamp](#), the Carrie portable has a handy IP rating of 44 to suit all your lighting needs. Designed by Norm Architects, the Carrie portable outdoor light has a refined and elegant aesthetic that is entrenched in Scandinavian design and is also based on the concept of Hygge, a term describing the idea of comfort and good well-being. The table lamp features a glass shade that offers a warm, diffused glow and a sleek structure that allows the user to carry the lamp wherever they wish.

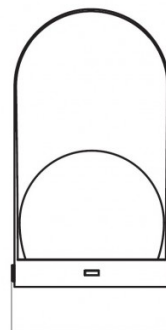

Suitable for use in your lounge or as an al fresco companion, the Carrie LED portable light is available in 4 lovely colours, white, black, olive or burned red. The table light has a charger cable included in the purchase, which plugs into the magnetic connector located at the base for a modern and discreet charging point. The lamp also comes with a dimmer switch so you can create the right ambience for your space.

This version of the Carrie is also compatible with a Audo Copenhagen charging table which is perfect for charging multiple lights at once. Please [contact us](#) for more info and prices.
