PRODUCT DESCRIPTION

Designer: Ernesto Gismondi

Artemide Ilio Mini LED Floor Lamp

This minimalist Ilio mini LED floor lamp is a simple design that features an aluminium cylinder that supports a LED optical engine on the top. The LED on the very top of the tubular stem creates a high-efficiency diffused indirect light that ensures the general lighting of a room. The designer of this LED floor lamp is Ernesto Gismondi who has won multiple awards for his lighting designs and his work with Artemide. Gismondi and his iconic designs ensured the success and reputation of the Artemide brand.

Artemide have created highly functional and iconic designs such as this Ilio mini floor lamp. A feature of this lamp is the app compatibility that allow you to manipulate the light output from your smart device. The Artemide App connects to your lamp via Bluetooth connection making it easy to precisely adjust the colour temperature and dimming settings. Further information about the App and its other features can be found [here](#).
