PRODUCT DESCRIPTION

Designer: Sofie Refer

Nuura Blossi LED Ceiling / Wall
Light

A part of the [Nuura Blossi collection](#), the Blossi wall/ceiling light is a versatile and elegant fixture that can be used in many settings. Made from glass and a gold metal structure, the integrated LED source reflects and diffuses off the metal, creating an ambient and welcoming glow. The surrounding lampshade is made from either clear or opal white glass, with the clear glass casting the glow outwards and the opal white glass creating a more contained illumination.

The Blossi wall and ceiling lamp has a beautiful aesthetic, inspired and resembling the gorgeous gold light that is seen in the Nordic autumn. You can use in multiple in hallways, or singularly in smaller spaces, with countless possibilities and applications at your fingertips.
