Rubn Vox Pendant Light

The Vox pendant by Rubn was created by Swedish designer Niclas Hoflin. The simplistic design of this pendant light is a characteristic of Hoflin's work. He prides himself on perfected simplicity as he believes a product's beauty is held within its functionality. This can clearly be seen in the design of the Rubn Vox pendant light that delicately hangs from the ceiling.

Perfect for over a dining space or hallway, this pendant light is an ideal addition to your home. As an individual or as a cluster, the Vox Pendant brings light and harmony to wherever it is placed.
