PRODUCT DESCRIPTION

Designer: Jo Hammerborg

Milieu Colour Mini Pendant Light by Warm Nordic

The Milieu Colour Mini is a pendant light designed by Jo Hammerborg who created the Milieu series in 1975. A design classic, this pendant lamp features organic and smooth lines, with a shade made up of four hemispheres that create a concentric pattern. Inspired by his own love of flying and parachuting, the Milieu Colour Mini pendant encapsulates this.

Available in 3 finishes, clear white, black/brass or white/brass, this pendant can be used in many settings and emits a glow with no glare due to the clever design. Handy for hanging over tables and surfaces, the Milieu Mini Colour pendant light has a downward directed illumination and can slip subtly into many design schemes.
