### PRODUCT DESCRIPTION

**Designer:** Christian Flindt

### LP Grand 320 LED Wall and Ceiling Light by Louis Poulsen

Designed by Christian Flindt, the LP Grand 320 surface light can be installed on walls and ceilings, being a thoroughly adaptable fixture suitable for many settings. Featuring a gorgeous round silhouette, the ceiling/wall light is equipped with reflectors and a diffuser to conceal the light and create an inviting and warm illumination.

Available in three colours, matt champagne, matt black or glossy white, the LP Grand 320 ceiling/wall lamp has an integrated LED source available with either a 2700K (warmest white) or 3000K (warm white) colour temperature. Use in offices, professional spaces, homes, hospitality and more for an effective and chic lighting solution.
