Moooi Pet Light Grwoww Table Lamp

Designed by Marcel Wanders, the Moooi Pet Light collection brings a touch of playfulness to any space. The new addition to the collection, Growww, uses its ceramic features and golden detailing to create a feline friend. This new tiger design was created to celebrate the Lunar New Year and the year of the tiger. A perfect addition to a fun and cheerful collection.

This Moooi table lamp has an integrated dimming system ideal for bedside tables and coffee tables. The gentle light that it emits through the frosted ceramic shade creates a calming atmosphere whilst also highlighting the fun and quirky features of the Grwoww. Pair this table lamp with a pal from the Moooi Pet Light collection such as [Purr](#) the rabbit, [Noot Noot](#) the penguin, or [Uhuh](#) the owl.
