PRODUCT DESCRIPTION

Designer: Vittorio Massimo

IVY V LED Pendant Light by Lodes

The IVY V pendant was designed by Vittorio Massimo alongside the [IVY I pendant light](#) and features two cables (instead of one like the IVY I) that delicately hold a circular lampshade, creating a beautiful V shape. Massimo was inspired by how wedding rings look on necklaces and pendants, gracefully sitting on someone's neck to create a gorgeous aesthetic. The shade also displays a geometric aesthetic, creating a contemporary and modern light expression.

Available in matte black, terra or extra matte champagne, the IVY V pendant lamp emits an effective and long-lasting glow as the integrated LED light source sits in the bottom of the shade. You can also choose between a 2700K (warmest white) or 3000K (warm white) colour temperature and the IVY V comes with a black mini ceiling canopy as standard. Use in a wide variety of settings in rows, clusters or alone for a functional and stylish illumination.

The IVY V pendant light is also available to purchase with a recessed micro ceiling canopy or a 6/12 light central canopy so you can create personalised clusters and configurations (see images above). Please [contact us](#) for more info and prices.

PRODUCT SPECIFICATION

Light Source: 3W, 2700K, 450 lumens
or
3W, 3000K, 480 lumens

IP Code: 20

Dimming: Dimmable via Triac dimming

Dimensions: Ø14.5cm shade
1.7cm shade depth
400cm max. drop

Ceiling Canopy
