Foscarini Caboche Plus Wall Light

A modern design by Patricia Urquiola and Eliana Gerotto, the Caboche Plus Wall Light is a subtle addition to the [Foscarini Caboche Collection](#). The aesthetic of the Caboche Plus Wall Lamp is based on the look of a pearl bracelet, with stunning spheres being arranged in a mosaic way to create an alluring and eye-catching design. These 'pearls' diffuse the interior light source and present a warm and inviting ambient illumination.

The lightweight and airy nature of this wall lamp makes it suitable for homes and professional spaces, whether you need to line a corridor or illuminate your bedroom.
