PRODUCT DESCRIPTION

Designer: BIG

Slicing LED Outdoor Pendant Light by Artemide

Designed by BIG, the creative group break down their popular [Gople design](#) and reinterpret it with an exploration of nature and space. The pendant light is made from overlapping slats which let the light escape in a wondrous way whilst also concealing it for less glare.

The Slicing pendant lamp has an aluminium finish and is suitable for both indoor and outdoor use. The versatility and subtle aesthetic of the pendant make it perfect for all around your setting and can be used in homes, professional environments and big projects. Choose from 3 sizes ranging from small to large, the suspension 21, suspension 42 and suspension 63.
