Anglepoise Original 1227 Mini Table Lamp National Trust Edition

The Anglepoise Original 1227 Mini was first released in 2015 as part of the Original 1227 collection. The Mini features a smaller shade that is ideal for a bedside or small desk area. It also features a pyramid-shaped base that houses an integrated on/off switch that makes this light even easier to control. The fixed stem is perfectly angled so that the direction of the light is ambient and indirect. However, you are still able to adjust the direction of the light with ease as the shade can be adjusted to multiple angles.

This new limited edition Original 1227 Mini Table Lamp is in collaboration with the National Trust, a foundation founded in 1895 and has grown into Europe's Largest conservation charity. This collaboration has created a timeless range of lamps in a buttermilk, sage green and Neptune blue finish. The funds raised from purchasing this stunning National Trust edition will go to the charity to help enhance, preserve and enjoy the great outdoors.
