The Anglepoise Original 1227 Floor Lamp is a highly adjustable reading lamp that features the classic Anglepoise silhouette and spring mechanisms. This classic-looking lamp has been a well-loved design that has a lifetime guarantee that it will provide light and joy for many many years. This limited edition Original 1227 floor lamp is in collaboration with the National Trust, a charity that was founded in 1895 and has grown to be Europe's largest conservation charity. By purchasing this National Trust limited edition Original 1227 floor lamp, Anglepoise will make a contribution to the charity to help with the conservation, enhancement, and protection of the National Trust sites.

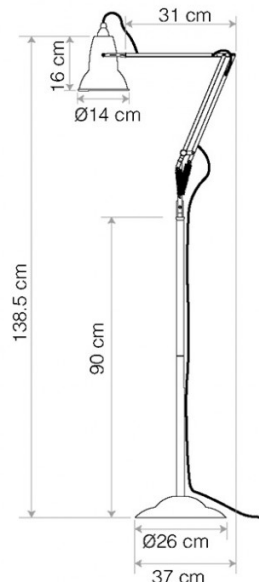

The limited edition buttermilk, sage green and neptune blue finish is brand new and beautifully compliments the brass and chrome detailing.
