Soft S/30 Pendant Light by Bover

Designed by Danos Salgados, the Soft Pendant Light has a silicone lampshade that features an intricate geometric pattern that is reminiscent of Bohemian glass wine glassware. The light bulb is concealed by the shade and a diffuser, creating a warm and atmospheric glow that also directs downwards. The glow also shines through the pattern, highlighting its gorgeous and chic aesthetic.

The Soft pendant light is available in an olive grey, ochre or light grey finish, being suitable for many interiors and design schemes. The pendant is best used when hung over tables and can be used alone, in rows or clusters depending on the surroundings.
