PRODUCT DESCRIPTION

Designer: Jonas Wagell

Audo Copenhagen JWDA Floor Lamp

Designed by Jonas Wagell, the JWDA floor light features a beautiful combination of materials to produce a timeless and elegant lighting design. The floor lamp consists of an opal glass elliptical lampshade which is paired with a brass stem and a heavy stone base made from either travertine or marble. The contrasts between the three material work together gorgeously, producing a luxurious and eye-catching aesthetic.

Like the rest of the [Audo Copenhagen JWDA collection](#), the JWDA floor lamp is inspired by a traditional oil lamp, featuring a dimmer switch knob on the base in recognition of the classic lamps. The floor light comes in either a beige travertine, white marble, or red Verona travertine finish which are paired with bronzed brass or brushed brass. Use the JWDA floor as a stunning atmospheric light that produces a warm yet effective glow.

PRODUCT SPECIFICATION

- Light Source:** 1 x Max 8W E27 (included)
- IP Code:** 20
- Dimming:** Integrated dimmer on the product.
- Dimensions:** Shade: Ø39cm
Height: 150cm
Base: Ø28cm
Cable Length: 250cm

Ø: 39 cm / 9,1"
