PRODUCT DESCRIPTION

Designer: Simon Legald

Normann Copenhagen Klip Wall Light

The Klip wall light is characterised by its sharp and clean geometrical design cues and its flexibility. Designed with function in mind, this simple wall light brings a functional and adjustable element to your room. The steel shade can be easily adjusted to wherever light is needed. By directing the beam of light you can use this lamp as a task light or spotlight to add brightness to anywhere in your house or commercial space.

Available in white, warm grey, black, and green, the Klip wall light can add a monochrome touch as well as a statement to your wall. With the retro on/off switch located on the base of the wall light, makes it easy to adjust the lamp as you wish. Making it ideal for a workspace, bedside table, or living space to bring a functional lighting solution to wherever it is needed.
