Apiales 7 Plafond Ceiling Lamp by Nuura

The Apiales 7 Plafond is part of the [Nuura Apiales collection](#), a range designed by Sofie Refer. The ceiling light is defined by a compact, small design, perfect for smaller spaces that want to have an effect of a chandelier.

The ceiling light features a reflective gold ceiling plate and seven mouth-blown optic glass lampshades also finished in gold. The pattern of the optic glass creates a dancing effect as the light source refracts and reflects off the gold ceiling plate and ceiling. This dazzling effect creates a gorgeous ambience in any space and delivers a luxurious aesthetic.
