**PRODUCT DESCRIPTION**

**Designer:** Ferruccio Laviani

**Kartell Mini Geen-A Battery**

The latest addition to Kartell's Geen-A collection, the Mini Geen-A is a portable and battery-powered table lamp. Available in the same 3 colours as its bigger predecessor, black, white or dark red plus bronze and green colours. Mini Geen-A Battery has an integrated dimmer, so you can easily adjust the light intensity. With a battery life of 7 hours, you have full autonomy with Mini Geen-A and can take it with you on the balcony or garden. The lamp is made entirely out of steel and is a combination of various geometric shapes, all perfectly balanced. The dome-shaped shade paired with a handle, allows you to easily pick up and transfer the Mini Geen-A around.

A minimalist, lightweight and rechargeable table lamp, designed by Ferruccio Laviani for Kartell, the Mini Geen-A is bound to become a Kartell classic.
