### Karl-Johan Small LED Pendant Light by New Works

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.  
1 x Small Smoked Glass Available.**

The latest addition to the [New Works Karl-Johan collection](#), the Karl-Johan pendant retains the beautiful glass lampshade as seen in the rest of the range, available in either an opal or smoked colour finish. The pendant has soft lines and a circular silhouette that is familiar and chic.

The Karl-Johan pendant lamp has an integrated LED light source which reflects on the glass to create a nice glow that is effective and warming. The opal glass finish creates a more diffused illumination whereas the light source can be seen more in the smoked glass finish. This pendant lamp is also available in a small or a large size, so you can find the right fit for your interior. Use alone or in multiple to best utilise your setting.
