Artek Kori Floor Lamp

Designed by TAF Studio, the Artek Kori Floor Lamp boasts a modern, minimalist silhouette reminiscent of a lighthouse. The standout feature is its basket-shaped diffuser, which ensures a warm, indirect light that softly illuminates any space. The floor lamp is perfect for creating a cosy reading corner or as accent lighting in living rooms, bedrooms, or commercial spaces like libraries and restaurants.

Available in a choice of deep matt white or bright matt orange finishes, the Kori Floor Lamp combines style with practicality, making it a striking addition to any interior.
