

ferm LIVING Porti Braided LED Portable Lamp

LA10751

SOURCE: <https://www.davidvillagelighting.co.uk/product/ferm-LIVING-Porti-Braided-LED-Portable-Lamp/10000955>

PRODUCT DESCRIPTION

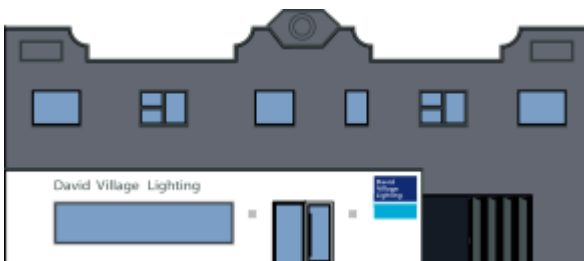

Porti Braided by ferm LIVING

The Porti Braided Lamp is a reinterpretation of the traditional lantern, made of braided rattan and paired with a slender iron base. The integrated LED dome is perfectly placed inside the rattan body and emits a soft and warm glow. Take the Porti Braided with you to a multitude of settings, ideally in dry and indoor locations, as its IP rating is not suitable for outdoor or wet areas.

The lamp is dimmable, with the dimmer positioned at the base; featuring a hover touch function. Switch the lamp on and off with a gentle tap or dim it by touching and holding it until you reach the perfect ambience. When switched on again, the lamp remembers its dimming setting from the last time it was used. Finally, the lamp can be positioned on uneven surfaces, by screwing the lamp feet forward or backwards. The battery-powered rattan lamp has 12 hours of battery life and can charge fully in 5 hours (USB cable supplied, adapter not included).

PRODUCT SPECIFICATION

Light Source: 2W, 2700K, 50 lumens
IP Code: 20
Dimming: Integrated dimmer on the product
Dimensions: Ø20cm
 50cm height
 150cm USB cable length
