PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster + Punch Forked Shade & Globe Ceiling Light

A gorgeous display of Buster + Punch's passion for metalworking, the Forked Globe & Shade Ceiling Light expertly combines elements from the [Globe Ceiling Light](#) and the [Shade Ceiling Light](#) to create an industrial ambient lighting solution. Designed by Buster + Punch founder Massimo Minale, the Globe & Shade light once again utilises high quality metal with hand blown glass - all tied together with the traditional knurling pattern and Buster + Punch engraved signature.

The Forked Shade + Globe Ceiling Light is available in two sizes and with a choice between an opal glass or smoked glass diffuser and a range of finish options for the structure and shade. The ceiling light emits a soft and glare free glow which is diffused through the glass globe and can be dimmed to provide either a functional illumination or ambient illumination depending on your personal preference.

A Buster + Punch Forked-specific dimmable Buster Bulb is included, but requires an LED compatible dimmer switch.

PRODUCT SPECIFICATION

Light Source: 1 x Max 7.5W E27 LED (included)

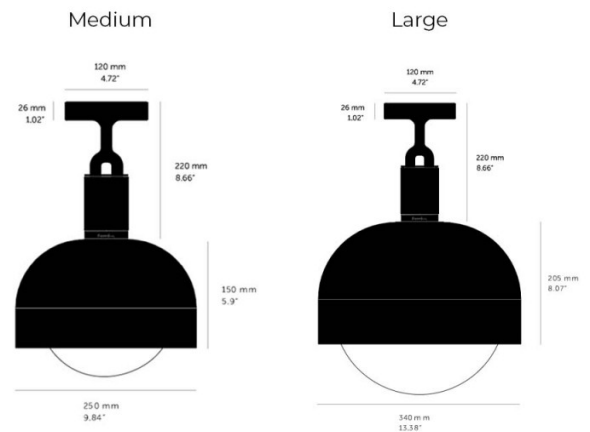

IP Code: 20

Dimming: Dimmable via trailing edge dimming.

Dimensions: Medium:
 Shade: Ø25cm
