Aromas Del Campo Atil Table Lamp

The Atil Table Lamp was designed by Pepe Fornas for Aromas Del Campo in 2019, this elegant and contemporary design boasts a steel body with an opal glass shade. The body is available in either a black or brass finish, which seems to offer the Atil Table Lamp two different personalities - but both provide a touch of luxury to your space.

The opal glass diffuser results in a warm and even emission of light, creating a calming ambience, which can be further optimised via the in line dimmer which is included in the cable. The Aromas Del Campo Atil Table Lamp can provide both functional and ambient lighting. This lamp is a perfect addition to environments that require an extra point of light with a decorative touch; Atil is a gorgeous addition to restaurants, bars, cafes and libraries. Atil can also provide beautiful mood lighting in hotel lobbies and hotel rooms.
