Artemide Vine LED Table Lamp

We currently have limited stock of this item in our [Clearance section](#).

The Artemide Vine LED Table Lamp allows users to define their own light, through the adjustability of the body. It consists of only two joints, resulting in the minimalistic presence creating a perfect balance among different materials, weights, precision of movement and functionality. Vine Table Lamp is a beautiful example of how Artemide has leant into contemporary advancements, the technological complexity is perfectly encapsulated in a simple form.

The uninterrupted line created by Vine plays the role of base, stem, and diffuser. Measuring just 16mm in diameter, the jointed black tube houses all of the electronic and mechanical elements without taking up a vast amount of space on your surface.

The Artemide Vine Table Lamp is also available with a fixed base. [Contact Us](#) for more information and pricing.
