## Artemide Vine LED Spot Light

We currently have limited stock of this item in our <u>Clearance</u> section.

A more compact version of the <u>Vine Wall Light</u>, the Artemide Vine Spot boasts a smaller frame without any detriment to the light output. This wall light combines technological advancements with a simplistic and sleek form, the structure measuring only 16mm in diameter, resulting in the minimalism creating a perfect harmony.

Vine Spot is a beautiful example of how Artemide has leant into contemporary advancements, the technological complexity is perfectly encapsulated in a simple form. The uninterrupted line created by Vine plays the role of base, stem, and diffuser.

Please Note: This wall light utilises a cable & plug so must be installed near a socket
