PRODUCT DESCRIPTION

Designer: Francesca Smiraglia

KDLN Kate LED Ceiling Light

Francesca Smiraglia took inspiration from the headgear worn by the Duchess of Cambridge, at the 70th English jubilee, when designing the Kate LED Ceiling Light for KDLN. This lighting solution sits at a 15 degree angle, emitting a semi directional illumination and diffusing the light in an unexpected way.

The KDLN Kate LED Ceiling Light experiments with the rules of space and boasts an architectural form, crafted from metal with a smooth white finish - perfect for contemporary and minimalistic spaces. This light offers a choice between two colour temperatures, either 2700K or 3000K. 2700K casts a very warm white light across the area below, while the 3000K emits a cooler white light.

Also available in colours on request. [Contact us](#) for more information.

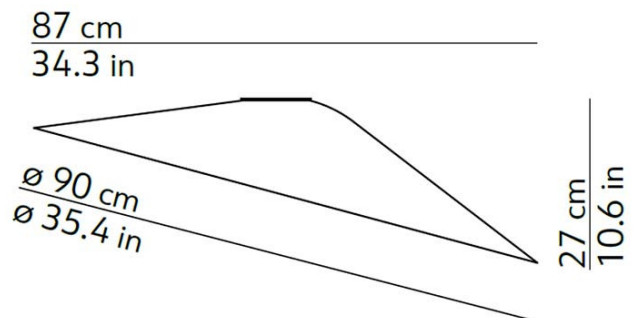

PRODUCT SPECIFICATION

Light Source: **2700K:** 60W, 2700K, 6600 Lumens
3000K: 60W, 3000K, 6835 Lumens

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø90cm
Width: 87cm
Depth: 27cm
