### Flos My Disc LED Pendant

The Flos My Disc LED Pendant is a minimalist contemporary lighting solution that can be used in residential homes and commercial spaces. Designed by Michael Anastassiades, My Disc consists of a slim horizontal disk that is suspended from a narrow wire, the design combines geometric shapes and the LED light source that is fitted into the disc emits a directed downlight. Flos My Disc is a sophisticated and elegant pendant light that combines beauty and high-end technology. This light offers various dimming options, allowing you to adjust the brightness from 10-100% and easily personalise the ambience.

This simple pendant by Flos can be displayed individually or grouped together, it is a beautiful addition to kitchens, dining spaces, offices or even contemporary living areas. In commercial spaces, My Disc adds a unique touch to cashier desks in shops, communal working spaces, restaurants, bars or hotel lobbies.
