&Tradition Mist AP17 Table Lamp

The innovative &Tradition Mist AP17 table lamp was designed by All the Way to Paris design studio in Copenhagen. The inspiration for the design was “rays of the first morning light shining through the mist” which offers a modern take on the globe light silhouette.

&Traditions Mist AP17 Table Lamp has a beautiful mouth-blown glass oval shade in a sophisticated opal colour with a forest green marble cylinder base for contrast with black metal detailing. This mushroom-shaped lamp has a warm, soft glow and can be used in any calming, and relaxing areas of your household. This contemporary lamp is an aesthetically pleasing statement piece.
