&Tradition Mist Pendant AP15

&Traditions Mist AP15 Pendant is a modern take on the classic globe light with a mouth blown opal glass shade providing glare free light. Rays of the first morning light shining through the mist inspired the soft, diffused light of this pendant by All the Way to Paris.

The **Mist Collection** AP15 Pendant by &Tradition is the smallest of two pendants in the collection and emits a diffused glow. The Pendant could be hung in pairs above a small kitchen island or by itself above a small kitchen table.
