## a-emotional light Ura 104 Pendant

The Ura 104 pendant by a-emotional light has a distinctive shape which has been created by folding techniques applied during the handcrafting process. The shades are made from painted stainless steel mesh and are suspended from the ceiling by a 150cm cable. The intricate folds of the shade allow light to permeate through while also creating a visually stunning pattern that will adorn your wall.

Lighting design company, a-emotional light, create designs that are original and always carefully hand-crafted by experts. Spanish designer Arturo Alvarez drew inspiration from nature while exploring simple geometric patterns to create <a href="The Ura Collection">The Ura Collection</a>.
