Anglepoise + Paul Smith Type 75 Desk Lamp

The Anglepoise + Paul Smith Type 75 Desk Lamp Edition Four was a collaborative design effort by Sir Kenneth Grange and Paul Smith. This desk lamp is a modern take on the classic Type 75 design, with Paul Smith's signature use of vibrant colours and playful aesthetics incorporated into the vintage form.

Each interpretation of this lamp has a unique story told through its selected colour. **Edition Four** was inspired by Paul's collaboration with Land Rover. He combined the distinctive colours of the car with the lamp's structure to create a fusion of two iconic British designs. This lamp is also available in a mini version and a floor lamp. Each edition of the type 75 lamp is great for task lighting in an office or workspace.
