Anglepoise + Paul Smith Type 75 Desk Lamp Edition Six

Anglepoise Type 75 Desk Lamp was created by Sir Kenneth Grange. Paul Smith's collaboration meant he could add his own unique design directions for each light while remaining true to the lamp's original structure. This edition features Smith's famous stripe design along the neck whilst the remaining structure is a matt white. The Type 75's striking yet understated design is a testament to its remarkable craftsmanship.

Anglepoise + Paul Smith Type 75 Desk Lamp Edition Six is also available as a floor and mini desk lamp version. Edition Six is an ideal lamp to complement a comfortable chair and atmosphere for reading whilst also being the perfect task light for any office or workspace.
